

Primary 7

Please keep checking our Glow for more learning ideas and activities. Send a group message so we can all keep in touch.

Sumdog Spelling

Go to www.sumdog.com or download the app on a handheld device and use your logon details in your yellow home learning jotters to access Sumdog spelling. On the dashboard screen just click on the drop down arrow and select spelling.

Sumdog Maths and Numeracy

Go to www.sumdog.com or download the app on a handheld device and use your logon details in your yellow home learning jotters to access Sumdog maths. Complete the weekly maths competition and check back daily to see who is on the leaderboard.

Writing

Write a letter to your new guidance teacher introducing yourself and to tell them who you would like to be in your new class, explaining why.

Reading

ONLINE: Log into www.getepic.com
Your access codes are in your yellow jotter. Your reading group has been assigned a book and follow up quiz.
OFFLINE: Using the red literacy book you took home, try the first comprehension activity.

PE – Gym

Are you ready to get fit and healthy?

If so, join Joe Wicks on his You Tube channel every morning at 9.00am for a 30-minute P.E lesson.
<https://www.youtube.com/user/thebodycoach1>

Peer Education

Make a poster to explain what you learned from our 2 Peer Education sessions. Remember a poster has to be eye catching and use slogans or phrases to get the message across.

Keeping Fit and Active

Remember our fitness sessions in the gym? Keep trying these activities at home to keep yourself fit while you have to stay indoors.

Revise your decimal work.

Expressive Art

Find out about the Rainbow Trail that is happening across the UK. Make a colourful rainbow to stick up in your window. How many can you find in windows during your daily walk?

Science

You can recap what we learned about forces recently, Log in to Brainpop using MrsYoung667 and password Primary 7. You can watch the video, take the quiz and choose some of the other related activities. (You'll also see the gravity and buoyancy sections while you're there.)
www.brainpop.com/science/motionsforcesandtime/forces/

Writing

You can learn more about and practise using contractions using the link below. Log in to Brainpop using MrsYoung667 and password Primary7. Watch the video and try some of the activities.
