

Primary 5

keep checking our Twitter Feed for more learning ideas and activities.

Feel free to send us photos of your learning to @densroadps, we'd love to see you!

Sumdog Spelling

Go to www.sumdog.com or download the Sumdog App on iOS and Android devices! Select Sumdog Spelling for some fun spelling challenges based on your own skills.

Set spelling words for year groups have been included in your home learning packs – try to complete some of the activities provided by learning some tricky words!

Sumdog Maths and Numeracy

Go to www.sumdog.com or download the Sumdog App on iOS and Android devices! Select Sumdog Maths for an exciting Maths Challenge. Get 100 correct answers to win Sumdog coins!

Practice some of your numeracy skills at home by creating your own 100 square and teaching an adult how to play **Bus Stop!**

Writing

Write a summary of your Easter holidays. What has been your favourite part of staying indoors or the use of your daily exercise?

Remember to include – **Who, What, Where, When and Why.**

Include as much VCOP as you can. Can you think of any exciting vocabulary to include?

Reading

ONLINE: Log in to <https://www.getepic.com/students> using code **xtp1035** and get reading.

OFFLINE: Try to read a book a day with someone at home. Let us know what you're reading @densroadps.

Choose a book to read on EPIC. Read the blurb only or the first two pages. Write what you predict may happen in the story. After finishing the book, check back to see if your predictions were correct!

PE – Gym

Are you ready to get fit and healthy?

If so, join Joe Wicks on his You Tube channel every morning at 9.00am for a 30-minute P.E lesson.

<https://www.youtube.com/user/thebodycoach1>

Spend time going on daily walks. Write down all the different routes you take in your local area. Which is your favourite and why?

Angles

Remind yourself about our Outdoor Learning of Angles!
Can you tell someone at home what a right, acute, obtuse and straight angle is?

How many angles can you find in your environment? Make a note of the different angles you can find around your house, and on your daily walk!

Teach someone at home about different angles and play 'Angle Says...'

Health and Wellbeing

Take time to practise life skills in your home and being helpful. Here are some ideas – let us know what you have completed!

- Folding/Putting away the laundry.
- Hoovering
- Doing the dishes.
- Recycling the rubbish.

Keep practicing daily hygiene routines such as washing your hands for the appropriate time. Try teaching someone at home how to do this too!

Topmarks Maths

Play your favourite maths game on www.topmarks.co.uk or download the App to improve your number knowledge and skills.

Can you beat your high score on **Toyshop Money Game?**

Expressive Art

- If you wish, draw a poster to congratulate the NHS and/or Key workers. This could include postmen, binmen and delivery drivers. Make it **bright and colourful** so it is easily spotted from your window!
- Collect natural materials on a walk, such as leaves and sticks. Can you create a piece of art? Make sure to share it with Miss Clarke and Mrs Cook!
- Continue to practise Just Dance on Youtube – can you create your own dance moves to a song?

Microsoft Teams

Primary 5 now has its own online Team! Log in to GLOW (www.glow.rmunify.com) and click on the little house icon down the side and select Microsoft Teams from there. You'll be asked to log in again.

Miss Clarke and Mrs Cook will be signing in to keep in touch and support you with your learning!

French

Learn how to share information about yourself in French. Can you learn how to tell me your age, birthday and favourite colour/animal? Reply to me @densroadps or via Microsoft Teams!

Make a list including all of the French colours. In your house/on a walk look around for objects of each colour. Create tally marks next to each and practise pronouncing the colour each time you spot it. Find out which colour is most popular!
