

 <p style="text-align: center;">Primary 6</p>  <p>Please keep checking our Twitter Feed for more learning ideas and activities. Feel free to send us photos of your learning to @densroadps, we'd love to see you!</p>	<p style="text-align: center;">Sumdog Spelling</p> <p>Go to www.sumdog.com or download the app on a handheld device and use your logon details in your yellow home learning jotters to access sumdog spelling. On the dashboard screen just click on the drop down arrow and select spelling.</p> <p style="text-align: center;">Each spelling group has their own challenge to complete by Friday to earn 250 coins.</p>	<p style="text-align: center;">Sumdog Maths and Numeracy</p> <p>Go to www.sumdog.com or download the app on a handheld device and use your logon details in your yellow home learning jotters to access sumdog maths.</p> <p style="text-align: center;">Complete the competition for Term 4 Week 1 and check back daily to see the leaderboard. Competition closes 12.00 on Friday.</p>
<p style="text-align: center;">Writing</p> <p>Visit the website www.pobble365.com and choose one of the writing topics from the selection by clicking left and right at the top. Then scroll down to the story starter, copy it into your jotter and then finish it. If you wish, you can copy and paste the starter onto Word and then type the rest of your story and send it to me on Teams or Glow.</p>	<p style="text-align: center;">Reading</p> <p>ONLINE – log in to www.getepic.com/students and enter the code LXE3325 and get reading. OFFLINE – Got a book you've always meant to read, one you never got finished or maybe one you love that you haven't read for a while. Now is the time to go and find it! Share it on teams or the twitter page.</p>	<p style="text-align: center;">PE – Gym</p> <p style="text-align: center;">Are you ready to get fit and healthy?</p> <p>If so, join Joe Wicks on his You Tube channel every morning at 9.00am for a 30-minute P.E lesson.</p> <p style="text-align: center;">https://www.youtube.com/user/thebodycoach1</p>
<p style="text-align: center;">Mindfulness</p> <p>Take time on each school day to have 10-15 minutes of rest and relaxation. Find a comfortable and quiet place to sit by yourself. Concentrate on your breathing and find your anchor spot. What do you notice hear as you try to relax? Share what you are comfortable sharing on Teams.</p>	<p style="text-align: center;">Health and Wellbeing</p> <p>Visit Brainpop and learn all about how the brain works using the following link. Watch the short movie and then complete a task.</p> <p style="text-align: center;">https://www.brainpop.com/health/bodysystems/brain/</p> <p style="text-align: center;">(Username – MrRobertson Password – Primary6)</p>	<p style="text-align: center;">ICT – Microsoft Teams</p> <p>Visit the class Microsoft Teams page and say hello to the rest of the class. Look at the files page and find the home learning grid. When you complete a learning activity, let me know what you have done.</p>
<p style="text-align: center;">IDL/Topic</p> <p>This year we have completed learning about The Victorians, Climate Change and Coding. Why not complete your own further learning on one of these topics or come up with and complete a topic of your own. It can be something you have always wanted to do or something you enjoyed in the past.</p>	<p style="text-align: center;">French</p> <p>While you are learning at home this is the perfect time to learn the names of objects and areas around the home in French. Resources and activities to help you can be found on our glow teams page.</p>	<p style="text-align: center;">ICT</p> <p style="text-align: center;">Fancy becoming a computer games developer?</p> <p>Visit the CODE website at https://studio.code.org/courses where you can try any of the courses or hour of code activities. Alternatively, visit Scratch at https://scratch.mit.edu/ where there are tutorials and projects to perfect your programming skills.</p>
