

 <p>Primary 2/3</p>  <p>Please keep checking our Twitter Feed for more learning ideas and activities. Feel free to send us photos of your learning to @densroadps, we'd love to see you!</p>	<p align="center"><u>Microsoft Teams</u></p> <p>I will be updating our Glow Teams page regularly with different activities from this grid as well as other ideas. Check in to see if there is something new to do.</p> <p align="center"><i>I will be on each day if you need any help.</i></p>	<p align="center"><u>Health and Wellbeing</u></p> <p>To tie in with maths work this week, can you <i>design an obstacle course outside that you and an adult/sibling have to complete?</i></p> <p>Get an adult's help to make it. Take a picture and share it on twitter and/or Glow.</p>
<p align="center"><u>Maths - Sumdog</u></p> <p><i>Log on to Sumdog this week to take part in daily challenges to earn coins to spend in the shop.</i></p> <p>I'll be setting daily challenges and checking in to see how you are doing. If you need your login, get in touch via twitter.</p>	<p align="center"><u>Maths – Online Assignments</u></p> <p>As usual, you will find maths and language work uploaded to teams each day, as well as some puzzles and quizzes to try out. Log into Glow and <i>earn yourself 10 points for completing and uploading any work.</i></p>	<p align="center"><u>Maths – Position and Movement</u></p> <p>Maths this week is focused on position and movement. Make up a game where you have hidden an object and you have to <i>give someone precise directions to find the object.</i> Use language like, forward, back, turn left/right, etc.</p>
<p align="center"><u>Reading</u></p> <p>Access the Oxford Owl website to choose books from your Learning to Read group. Both the web link and username for your class are on our <i>Glow Teams page under Files.</i></p> <p>Get in touch via twitter if you have any problems with the login.</p>	<p align="center"><u>Creative Writing</u></p> <p>Use your home learning jotter to create an amazing piece of writing and/or drawing in response to this question:</p> <p align="center"><i>An alien lands on earth and you're the first to find it. Why did it come to earth?</i></p>	<p align="center"><u>Spelling</u></p> <p>Write a sentence for each green word. Choose either Set 2 or Set 3 words.</p> <p align="center"><i>Set 2: stair, whirl, round, boy, way.</i></p> <p align="center"><i>Set 3: join, shake, shine, phone June.</i></p>
<p align="center"><u>Expressive Arts</u></p> <p align="center">Drawing Challenge</p> <p>This week's drawing challenge is: <i>Draw the alien's ship that brought it to earth. Remember to label the ship and describe what it can do/how fast it can travel/what it's like on board.</i></p>	<p align="center"><u>Thinking Skills</u></p> <p>Play a game of <i>Categories (2+ players).</i> You will need paper and pens/pencils to play this game.</p> <p align="center"><i>See the attached instructions to learn how to play the game.</i></p> <p>Make it more easier/difficult by changing the categories and letters used.</p>	<p align="center"><u>Computational Thinking Skills</u></p> <p>Get an adult to create a repeating pattern from objects at home or from outside (fruit, pasta shapes, leaves, etc.) <i>Describe/predict what comes next and why.</i></p> <p>By spotting similarities and differences, you'll begin to identify patterns.</p>
