

Primary 6 Home Learning Grid – Week 10

Please keep checking our Twitter Feed for more learning ideas and activities.
Feel free to send us photos of your learning to @densroadps, we'd love to see you!

Spelling

Log onto teams where there will be assignments for spelling. Complete all remaining assignment tasks and then log on to www.oxfordowl.co.uk for additional spelling activities.

Sumdog

Go to www.sumdog.com and take part in our class challenge.

Writing

Click on the link below to open up the writing activities for "The Stadium". Complete as many of the activities as you can and remember to share them. Visit www.pobble365.com for extra activities each day.

Reading

I would like you all to access www.oxfordowl.co.uk and look through some of the books that are available. Choose your favourite, read it and then write me a paragraph telling me what you thought about the book. Was it good? Was it better or worse than you thought? Would you recommend it to someone else? etc.

PE – Gym

Join Joe Wicks at 9.00am for a 30-minute P.E lesson.

<https://www.youtube.com/user/thebodycoach1>

or

Create your own 30 minute workout that can be completed at home or outdoors.

Grand Designs

Test your knowledge of area, perimeter, multiplication, time and more with this interesting home design challenge. It has also been shared on teams as an assignment.

Digital Art

Ask someone to take a photo of you learning, helping out at home, relaxing or doing something that makes you happy. You can take a normal photo or use a filter or special effect if you wish.

E-mail the photo to me at:

ddgrobertson453@glow.sch.uk

The Ickabog

Visit the general channel on our teams page and follow the link to read some of the chapters from the JK Rowling story "The Ickabog". Why not take a video of yourself reading some of the book and share it with me or visit <https://theickabogcompetition.com/> to take part in the illustration competition.

BBC Bitesize Live Lessons

Tune in on Thursday for the BBC Bitesize live French lesson on school, hobbies and culture. Feel free to watch any of the other live lessons found on the schedule below.

Virtual Classroom

Log into Teams and follow the link for the virtual classroom. Once you have visited the classroom and tried some of the activities I would like you to design what the next classroom might look like and/or come up with some ideas for activities to put in the classroom.

Share these on Teams.

ICT - Teams

Please send photos of any work from this week that you are proud of and also any other work from previous weeks and grids. Upload these to your personal file or send them to me by email at ddgrobertson453@glow.sch.uk and we can add them to your learning scrapbooks when we are back in school.
