

 <p style="text-align: center;"><b>Primary 6</b> <b>Home Learning Grid – Week 3</b></p>  <p>Please keep checking our Twitter Feed for more learning ideas and activities. Feel free to send us photos of your learning to @densroadps, we'd love to see you!</p>	<p style="text-align: center;"><b>Sumdog Spelling</b></p> <p>Go to <a href="http://www.sumdog.com">www.sumdog.com</a> or download the app on a handheld device and use your logon details in your yellow home learning jotters to access sumdog spelling. On the dashboard screen just click on the drop down arrow and select spelling. <b>Each spelling group has their own challenge to complete by Friday to earn 250 coins.</b></p>	<p style="text-align: center;"><b>Sumdog Maths and Numeracy</b></p> <p>Go to <a href="http://www.sumdog.com">www.sumdog.com</a> or download the app on a handheld device and use your logon details in your yellow home learning jotters to access sumdog maths. <b>Complete the competition for Term 4 Week 2 and check back daily to see the leaderboard. Competition closes 12.00 on Friday.</b></p>
<p style="text-align: center;"><b>Writing</b></p> <p>Visit the website <a href="http://www.pobble365.com">www.pobble365.com</a> and choose one of the writing topics from the selection by clicking left and right at the top. Then scroll down to the story starter, copy it into your jotter and then finish it.  Take a photo of your writing or type it. Send it to me by email and I can give you feedback or add it to Teams for others to see.</p>	<p style="text-align: center;"><b>Reading</b></p> <p><b>ONLINE</b> – log in to <a href="http://www.getepic.com/students">www.getepic.com/students</a> and enter the code <b>LXE3325</b> and get reading. <b>OFFLINE</b> – Got a book you've always meant to read, one you never got finished or maybe one you love that you haven't read for a while. Now is the time to go and find it! Share it on teams or the twitter page.</p>	<p style="text-align: center;"><b>PE – Gym</b></p> <p style="text-align: center;"><b>Are you ready to get fit and healthy?</b></p> <p>If so, join Joe Wicks on his You Tube channel every morning at 9.00am for a 30-minute P.E lesson.  <a href="https://www.youtube.com/user/thebodycoach1">https://www.youtube.com/user/thebodycoach1</a></p>
<p style="text-align: center;"><b>D in the Park</b></p> <p>In term 4 we usually have our annual D in the Park event. Your job is to choose a song that you would like to perform as part of D in the Park. If we get back to school then we can choose the best one to perform as a class or we can also have our own virtual D in the Park if needed. So get on your playlists or onto YouTube and choose a song. Share it on Teams.</p>	<p style="text-align: center;"><b>Health and Wellbeing</b></p> <p>The weather is improving and some of you may be spending time in your garden or going out for a bit of daily exercise. Complete the unit on sun protection.  <a href="https://www.brainpop.com/health/personalhealth/sunprotection/">https://www.brainpop.com/health/personalhealth/sunprotection/</a>  <b>(Username – MrRobertson Password – Primary6)</b></p>	<p style="text-align: center;"><b>ICT – Microsoft Teams</b></p> <p>Visit the Teams page as often as you can throughout the week and share what you have been learning and doing throughout the week.  Let's try and have as many people on the Teams page at least once in the week.</p>
<p style="text-align: center;"><b>Time Capsule</b></p> <p>This is a very strange time for all of us. Here are some activities that we can complete over the next couple of weeks. I'm suggesting you do pages 1, 3 and 6 this week.</p>  <p style="text-align: center;">Covid-19 Time Capsule.pdf</p>	<p style="text-align: center;"><b>Maths Challenge</b></p> <p><a href="https://corbettmathsprimary.com/2018/07/24/think-of-a-number-video/">https://corbettmathsprimary.com/2018/07/24/think-of-a-number-video/</a> Watch the video and then try the questions.</p>   <p style="text-align: center;">think-of-a-number-questions.pdf    think-of-a-number-answers.pdf</p>	<p style="text-align: center;"><b>ICT</b></p> <p style="text-align: center;"><b>Fancy becoming a computer games developer?</b></p> <p>Visit the CODE website at <a href="https://studio.code.org/courses">https://studio.code.org/courses</a> where you can try any of the courses or hour of code activities. Alternatively, visit Scratch at <a href="https://scratch.mit.edu/">https://scratch.mit.edu/</a> where there are tutorials and projects to perfect your programming skills.</p>
