

Primary 7
Grid 3 (20th -24th April)

Please keep checking our Glow for more learning ideas and activities.
Send a group message so we can all keep in touch.

D in the Park

I'm still hoping we can get back to school before the summer, so we'll need a routine for D in the Park. Choose a song you would like us to perform and create a dance we could all learn.

Time Capsule

This is a very strange time for all of us. Here are some activities that we can complete over the next couple of weeks. I'm suggesting you do pages 1, 4 and 6 this week.

Covid-19 Time Capsule.pdf

Remember, we're not stuck at home, we're keeping safe at home.

Homophones

This link will help to remind you how to use these homophones correctly
<https://www.brainpop.com/english/grammar/theyretheirandthere/>
(Log in using MrsYoung667 and password Primary 7.)
You should watch the movie and take the quiz, and you could choose some of the other activities you'll see there too.

Reading

ONLINE: Log into
<https://www.getepic.com/app/read/16831> to read about "The Boy Who Biked the World" and take the quiz once you've finished reading.
(Your access code is in your yellow jotter.)

OFFLINE: Using the red literacy book, try the next 2 comprehension activities.

Science

Have you visited
<https://www.glasgowsciencecentre.org/>
They are showing online lessons every day at 10am.

Maths Challenge

Mental Maths – 5 a day

Visit

<https://corbettmathsprimary.com/>

Choose the "5-a-day" section and you will find challenges for every day this week.
They are sorted from Bronze to Platinum – how many can you manage?

Revise your Timetable work.

Create a Comic

This pack includes several ideas for you to try at home. It will give you helpful hints for how to create your own comic.

Create a Comic.pdf

Chocolate

How many Easter eggs did you eat? Do you know how chocolate is made? Watch this video, take the quiz and choose some of the other related activities.

<https://www.brainpop.com/socialstudies/culture/chocolate/>
(Log in using MrsYoung667 and password Primary 7.)

Presentations

How are you getting on with your presentation? Remember you can't simply copy and paste someone else's work. When you think you have finished, you could attach it to an email and send it to me, or you can keep it until we get together again. Remember it does not have to be a Powerpoint, but it has to be interesting for the audience.
