Feel free to send us photos of your learning to @densroadps, we'd love to see you!

Maths: Time

Have you remembered how to tell the time using o'clock and half past? Use the following website links to access telling the time games. These activities will help you with learning about digital time too!

Numeracy Online

Continue using your Sumdog login to practise more of your mental maths skills. Mrs Wilson is setting challenges every week for you to complete so keep a look out for these!

Reading

Search for *Ruth Miskin Training* on YouTube. Every morning at 9:30am there is a speed sounds lesson which you can take part in to help you practise your reading. Don't worry if you miss a lesson. You can catch up too.

Continue using Epic! www.getepic.com/
class code [kmm9565](http://www.getepic.com/)

Look out for books that Mrs Wilson assigns to you!

Spelling

How many different 3 letter words can you make using these sounds?

a m i a d e r w k n g s h n k ch

Write the words you can make in your home learning jotter. Your target is to make 10 words!

P.E.

If you fancy trying something different, browse the GoNoodle website family.gonoodle.com for some dance and fitness videos. You do not need an account. Why not try out the 'Zumba Kids' and 'Fresh Start Fitness' sections. Have fun keeping fit!

Please make sure you continue to go on a daily walk!

Writing

Make a THANK YOU CARD for a key worker or member of the NHS. What would you like to say in your card? Try writing a message inside. Remember your capital letters, finger spaces and full stops. Also use your 'Fred Fingers' to help you spell.

Art

Can you draw a 3D Hand? All you need to do is draw around your hand and draw a number of horizontal lines across the paper. The lines covering your hand should curve slightly to give a 3D effect. Give it a go!

Microsoft Teams

Mrs Wilson is still logging into Microsoft Teams every day. If you fancy staying in touch or asking a question, please log in to GLOW (www.glow.rmunify.com) using your login, and you can access Teams from there. Mrs Wilson really wants to hear from you all!

IDL/STEM

Could you make a bird feeder? Use the following website links to find the right bird feeder craft for you. There are a few different options to choose from.

It is time for a scavenger hunt. Can you find items at home for the following?

- Something that makes you happy.
- Something that is sparkly.
- Something that is colourful.
- Something that smells lovely.
- Something that is beautiful.
- Something that is soft.
- Something that tastes delicious.
- Something that your family all love.

Take photos and share on Twitter or Microsoft Teams.

French

How did you get on with French numbers last week? Let's see how you get on with colours. Use the following website link to access some activities for learning colours in French. There is a lesson tutorial and games to help you learn!
