

Primary 6
Home Learning Grid – Week 5

Please keep checking our Twitter Feed for more learning ideas and activities.
Feel free to send us photos of your learning to @densroadps, we'd love to see you!

Spelling

Logon at www.sumdog.com and access this weeks spelling challenge. Let me know how you got on and what was tricky through Teams.

Sumdog

Go to www.sumdog.com and take part in the term 4 week 3 maths competition. Let's see who finishes at the top of the leaderboard this week.

Writing

Rainbow Poems

Can you write an acrostic poem using the letters of the word RAINBOW. You can write it in your jotter or you can use the template in the files section of our Teams page.

Reading

Find a comfy, quiet place to sit down and read anything that you find interesting. Try to spend at least 10-15 minutes reading peacefully. What made you choose that place and how did it help you concentrate on your reading?

PE – Gym

Join Joe Wicks at 9.00am for a 30-minute P.E lesson.
<https://www.youtube.com/user/thebodycoach1>
or
Set up your own fitness circuit in your house or back garden using any resources you have available. Try to complete each station. Why not record a video?

Listening and Talking

Have you ever wanted to be a sports commentator? Take a look at how one reporter has used his skills to commentate on things happening at home. Then why not try it for yourself.

<https://twitter.com/MrAndrewCotter/status/1243539675031232519?s=20>

Get Creative!

Create you own piece of optical illusion art. Google "step-by-step optical illusion art" or "op art". Try making your own.

Can you take a photograph of it an put it on teams or email it to me and I will make a collage picture using them for all of you.

Word Quiz

How many words can you spell? Can you get a 7 letter word?

<https://www.boggle.online/>

Health and Wellbeing

Can you create your own positive or inspirational phrase? Once you think of a phrase, make a poster featuring that phrase.

There will be examples on Teams this week to give you more of an idea about what this looks like.

Personal Project

Rainbows are everywhere we go at the moment. These are known as a natural phenomena. I would like you to choose and research another kind of phenomena from the list, share it with me and get researching.

Tsunamis, Earthquakes, Geysers, Supernovas, Tornados, Volcanic Eruptions or Solar Eclipse

ICT

This week I would like everyone to visit the Teams page and share with us something that you have been learning or doing at home. This can be a message about your learning, a photo, a video or something you have done on a computer or tablet that you want to upload.
