

Primary 1

Please keep checking our Twitter Feed for more learning ideas and activities.
Feel free to send us photos of your learning to @densroadps, we'd love to see you!

Numeracy Online

Doorway Online has some great maths activities which can help you with practising your number skills. Try the following two games to practise adding and subtracting and challenge yourself with missing numbers, up to 100.
www.doorwayonline.org.uk/number/addandsubtract10
www.doorwayonline.org.uk/number/numbertable

Numeracy Online

Continue using your Sumdog login to practise more of your mental maths skills. Mrs Wilson is setting challenges every week for you to complete so keep a look out for these!
https://www.sumdog.com/user/sign_in

Reading

Oxford Owl www.oxfordowl.co.uk is great for supporting learning to read. Log on using our class login. (Name: *densp1* Password: *densroad1*) Use the 'My Bookshelf' and 'Parents' sections to find ebooks and other resources which can be used to support reading at home. Also have a look on **Teams** for our 'how to' guides on finding the correct resources too! Continue using www.getepic.com class code *kmm9565*

Spelling

How many different 3 letter words can you make using these sounds?
o s i u n e g z b n g qu nk th
Write the words you can make in your home learning jotter. Your target is to make 10 words!
Remember, Doorway Online is also a great website for practising your spelling skills!
www.doorwayonline.org.uk/activities/speller

P.E.

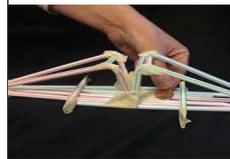

Continue to use the GoNoodle website family.gonoodle.com for some dance and fitness videos. The 'Zumba Kids' and 'Fresh Start Fitness' sections are great. Have fun keeping fit!
If you have some space, could you practise your object control skills? You could try throwing and catching games or some football dribbling and passing skills!

Writing

Write a letter to someone you have not seen for a while. Tell them what you have been up to and what you would like to do with them when you next see each other.
Remember your capital letters, finger spaces and full stops. Also use your 'Fred Fingers' to help you spell.

STEM Challenge

Can you build a bridge that can hold weight? You can only use recycled materials (cardboard, plastic packaging, straws, newspaper) like the pictures below. What is the heaviest thing it can hold without breaking?

Microsoft Teams

Mrs Wilson is still logging into Microsoft Teams every day. If you fancy staying in touch, asking a question or uploading photos or videos of activities you have been doing, please log in to GLOW (www.glow.rmunify.com) using your login, and you can access Teams from there.
Mrs Wilson really wants to hear from you all!

Art

Remember those self-portraits we drew at the start of P1? I wonder if you could draw a more detailed self portrait of yourself now.

All you need is **paper**, a **pencil** and a **mirror**.

Please share your self portraits on Twitter or Teams!

Scavenger Hunt

Here's a new scavenger hunt. Can you find items at home or on your daily walk for the following?

- Something that makes you proud
- Something that feels rough
- Something that is shiny
- Something that feels cold
- Something that smells sweet
- Something that tastes salty
- Something that begins with 'sh'
- Something that begins with 'ch'

Take photos and share on Twitter or Microsoft Teams.

Games

Make your own board game to play with your family. It can be as simple or as challenging as you like. Use the pictures below to inspire your designs.
