

Primary 7
Grid 6 (11th – 15th May)

Please keep checking our Glow for more learning ideas and activities.
Send a group message so we can all keep in touch.

Science.

Log into Dundee Science Centre at <https://www.dundeesciencecentre.org.uk/support-for-home-learning>
There are weekly science topics for you to enjoy. Last week's topic was Body Bits and this week's topic hasn't been announced yet, so visit their website to find out. You can also catch up on their previous topics like Mini Beasts and Space Week.

Literacy - Captain Tom.

I'm sure you've heard about Captain Tom. Find out more about him here.

Captain Tom comp.pdf

Captain Tom Raises Millions for the NHS I

Reading

Remember you started looking at Charles Rennie Mackintosh with Mrs Taylor? You can find out more about him here. There are 3 versions for you to choose from, but I'll ask you to complete just one.

Charles Rennie Mackintosh.pdf

Art.

More Charles Rennie Mackintosh – how to draw his famous roses.

Rennie Mackintosh Rose.pdf

V&A Challenge.

The V & A are running a weekly design challenge during lockdown. This week's challenge is:
Imagine another whale got stuck in the River Tay. Design a new way to take it home to the safety of the sea.
New challenge announced **every Wednesday**. Call them **for free** on:

0800 048 9968 or visit

<https://www.vam.ac.uk/dundee/info/design-busters>

Sumdog

I've set you a numeracy challenge on Sumdog to be completed by Friday at 3.15pm.
(Your login details are in your yellow jotter if you've forgotten them.)

Moving to Secondary.

I had a video meeting with Mr Wallace and Ms Smith from Morgan last week to discuss you moving to secondary. Mr Wallace is now added to our Teams and can answer any questions you might have seeing as we can't get in for a visit. It would also be helpful if you can complete the P7 Profile page if you haven't done it already.

P7 Profile template.docx

Revise your work with bar charts.

Keeping Active.

Remember our fitness lessons and circuits before we came off? Create your own fitness programme to keep you fit while we're still in lockdown. If you can, take a photo to share with us on Teams.

Roman Numerals

We see them all around us, but do you know what they mean? Log into Brainpop to have it all explained. You can watch the movie then take the quiz and you could try any of the other activities you'll see there.
<https://www.brainpop.com/math/numbersandoperations/romannumerals/>

(Log in using MrsYoung667 and password Primary 7.)

BBC Bitesize.

If you follow the link below you will find lots more useful videos and activities. You'll find a whole range of things to choose from.

www.bbc.co.uk/bitesize/dailylessons

then select the Year6/P7 section. They are also available on iplayer.
If you haven't already, please look at the video from 29th April about mixing, dissolving and separation (we were going to do some of that this term if we'd been in school). There's also a film there about Ramadan.
