

Primary 2/3

Please keep checking our Twitter Feed for more learning ideas and activities.

Feel free to send us photos of your learning to @densroadps, we'd love to see you!

Microsoft Teams

I will be updating our Glow Teams page regularly with different activities from this grid as well as other ideas.

Check in to see if there is something new to do.

I will be on each day if you need any help.

Health and Wellbeing

Check out **family.gonoodle.com** for some fun activities like dancing and fitness exercises you can do at home.

You don't need to make an account.

Maths - Number

Use your 0-9-digit cards to help complete this investigation. **How many numbers between 0 and 100 have the digit 3 in the number?** List all the numbers and say whether the 3 is a ten or a one. **Choose a different digit and see if the result is the same.**

Maths – Online Assignments

I will be uploading **2 new maths assignments** to our Glow Teams page each day. **2 on symmetry, and 2 on shapes.**

Earn yourself **10 points** for completing and uploading these assignments.

Maths – Money

Find a takeaway menu and see what different types of food you can buy without going over £10.

I will post a few different takeaway menus on our Glow Teams page for you to use if you don't have one.

Reading

Access the Oxford Owl website to choose books from your Learning to Read group. Both the web link and username for your class are on our **Glow Teams page under Files.**

Get in touch via twitter if you have any problems with the login.

Creative Writing

Use your home learning jotter to create an amazing piece of writing and/or drawing in response to this question:

What would you do if your favourite toy came to life?

Spelling

Choose a favourite topic and make a wordsearch out of words related to that topic.

e.g. Disney Princesses: Ariel, Jasmine, Snow White.
e.g. Star Wars: Jedi, Skywalker, Sith, Lightsabre

Ask someone at home to find the words.

Expressive Arts

Drawing Challenge

This week's drawing challenge is:
Draw an amazing ride in an Amusement Park. What type of ride would it be, and what would it be called?

Thinking Skills

Play a game of **Awesome Alliteration (2+ players)**. Player 1 says a 3-word phrase beginning with the word 'one': **One old orange**. Player two repeats this then adds their own phrase beginning with 'two': **Two tired tigers**. Continue like this. Each word must start with the same sound (Alliteration).

Computational Thinking Skills

Play the **5 Word Film Game** to develop your skills of abstraction.

Think of a film you enjoy and **describe it using 5 words or less.**

e.g. Death Star, Ewok, lightsabre, Endor, Jabba
Film: Return of the Jedi
