

Primary 1/2

Please keep checking our Twitter Feed for more learning ideas and activities. Feel free to send us photos of your learning to [@densroadps](https://twitter.com/densroadps), we'd love to see you!

Maths – Telling the Time

Using a paper plate as the face, can you make your own analogue clock? Make sure to put the numbers in the correct order and include a long minute hand and a short hour hand.

Sumdog Numeracy and Maths Daily Challenges for your Maths Group

Every maths group is getting a daily challenge this week to revise what you have learned this school year. Log in everyday to see what your topic is.

Writing

Write a short letter to someone else in the class, anyone you like. Tell them about anything interesting you have done or learned during lockdown. What do you miss most about school?

Remember: “Dear/To”, “From/Love” and their address (make one up or use your own).

Reading

Continue using the [Oxford Owl website](https://www.oxfordowl.co.uk/) to access your reading books. If you are unsure what coloured books to choose, please get in touch on Teams or Twitter! I'll reply as quickly as I can.

Spelling

[Ruth Miskin's Team](#) will be posting a new Learning to Read lesson every morning on **YouTube** from **9:30-10:00 for P1** and **10:00-10:15 for P2!** Have a go at some of the lessons this week.

PE – Gym

Head to YouTube and visit the Yorkshire Sport Foundation [#ThisIsPE](https://www.youtube.com/playlist?list=PL1111111111111111) playlist.

There are loads of activities for you to practice as a family indoors and will support you in improving your core movement skills and keeping fit.

Animals and Their Habitats

Can you use materials at home and outside to make your own example of an animal habitat? Create a 3D rainforest, tundra, desert or ocean habitat like this one. Don't forget to share it on Teams or via Twitter!

STEAM

[Paper Towel Secret Messages: Science, Art or Both?](#)

Have a go at writing a secret, water activated message using coloured pen and kitchen roll. Film your secret message being revealed and send it to Twitter or Teams. I'll post mine to Teams and Twitter too!

French

We have been learning to say colours in French.

Can you find all the colours in this [word search](#)? Check the timer to see how fast you were – can you go faster? Share your knowledge with your family.

Microsoft Teams

Miss D'All is logged into her Team throughout the school day if you want to get in touch to ask questions about your work, or just to have a wee chat! Contact the [school Twitter through Direct Message](#) if you're having difficulty signing in.

Digital Learning

Let's give coding a try! This is going to need an adult's help at first – so only do this if you can.

Head to [LightBot](#) Hour of Code to learn how to do basic block coding. LightBot works on Laptops, Tablets and Smartphones.
