

Primary 7
Grid 8 (25th – 29th May)

Remember you can ask Mr Wallace anything you'd like to know about Morgan through our Teams page.

Science.

Log into Dundee Science Centre at
<https://www.dundeesciencecentre.org.uk/support-for-home-learning>

Last week's topic continues this week. Each day you will be hearing from a STEM Ambassador about how they are using science and technology in their day-to-day jobs and to inspire you with special challenges. You can also catch up on their previous topics like Mini Beasts and Body Bits.

Literacy.

When reading, you often have to use the clues from the text to understand the whole story. This task will let you practise your inference skills.

Inference.pdf

Reading

Log in to
<https://www.getepic.com/app/read/13961>

to read the true story of Shep: Our Most Loyal Dog.
(Your class code is in your yellow jotter.)
Please complete the quiz once you have read the book.

HWB - Internet Safety

As always, you must make sure you are staying safe online. Choose **at least 2** of these activities to remind you of the rules you need to follow.

Internet Safety.pdf

V&A Challenge.

The V & A are running a weekly design challenge during lockdown.
This week's challenge is:

Architects can use simple paper models to imagine BIG ideas.
This week's challenge is to make like Frank Gehry and use white paper and tape to create a 3D model for a new building design.

New challenge announced **every Wednesday**. Call them **for free** on:

 **0800 048 9968** or visit
<https://www.vam.ac.uk/dundee/info/design-busters>

Mental Maths - 5-a-day

Visit
<https://corbettmathsprimary.com/5-a-day/>
to practise your mental maths. You will find quizzes for every day of the week. They range from bronze to platinum level – how many can you manage?

Revise your symmetry work.

<https://corbettmathsprimary.com/2018/07/24/line-symmetry-video/>

Line Symmetry.pdf

Symmetry

Log into Brainpop to get more practice of symmetry, working with translation, rotation and reflection. You can watch the movie then take the quiz and you could try any of the other activities you'll see there.

<https://www.brainpop.com/math/geometryandmeasurement/transformation/>

(Log in using MrsYoung667 and password Primary 7.)

RME - Eid Mubarak

Eid-al-Fitr was celebrated over the weekend, at the end of the month of Ramadan. Find out more about the celebrations.

BBC Bitesize.

If you follow the link below you will find lots more useful videos and activities. You'll find a whole range of things to choose from.

www.bbc.co.uk/bitesize/dailylessons

then select the Year6/P7 section. They are also available on iplayer.

Please have a look at the magnets section – we were supposed to be doing some of that work if we'd been in school this term.
