

### Primary 1

Please keep checking our Twitter Feed for more learning ideas and activities.

Feel free to send us photos of your learning to @densroadps, we'd love to see you!

### Maths Online (Time and Money)

Could you make your own clock face for practising telling the time using o'clock and half past? You can use something like a paper plate or make your clock

outside, like these examples.

Share your creations on **Twitter** or **Teams**!

### Numeracy Online

Continue using your Sumdog login to practise more of your mental maths skills.

Mrs Wilson is setting challenges, practice work and assessments every week for you to complete so keep a look out for these!

### Spelling

How many different 3 and 4 letter words can you make using these sounds? Write them in your jotter.

s i n g o k b v y x a th nk

Your target is to make 10 words!

**Extra Challenge:** Practise reading and spelling these new red words below. These are tricky words that cannot be sounded out using 'Fred Talk'.

### Writing

Create your own storybook based on a film you have recently watched. What were the main parts of the film?

Who were the characters? Draw pictures on each page of your storybook and try to write a sentence on each page explaining what is happening.

### Art

Your challenge is to make a piece of shadow art! All you need is some paper, a pencil and an object or person's shadow to draw. Look at the examples below for ideas.

### Microsoft Teams

Mrs Wilson is still logging into Microsoft Teams every day. If you fancy staying in touch, asking a question or uploading photos or videos of activities you have been doing, please log in to GLOW ([www.glow.rmunity.com](http://www.glow.rmunity.com)) using your login, and you can access Teams from there.

Mrs Wilson really wants to hear from you all!

### IDL

Let's learn about life cycles! The following website link will take you to videos, images, and a downloadable activity you can complete.

[everyschool.co.uk/science-key-stage-1-life-cycles](http://everyschool.co.uk/science-key-stage-1-life-cycles)

Mrs Wilson has also assigned a video on Epic! which you can watch too called 'The Life Cycle Song'.

### STEM Challenge

Using natural materials you find outside, can you build a bird's nest? You can try weaving sticks together to make the nest, just like this image. You may need some mud and leaves

too. Try to make the nest big enough for a bird to stay safe with its eggs.

### P.E.

Continue to use the GoNoodle website [family.gonoodle.com](http://family.gonoodle.com). Choose your favourite video from the 'Indoor Recess', 'Flow', 'Zumba Kids' and 'Fresh Start Fitness' channels and share a clip of you keeping fit using one of these videos on Teams or Twitter

OR

Create your own obstacle or fitness course outside and share on Teams or Twitter.
