## Section 1: Welcome and Vision

Dear Parents,

We are pleased to provide this handbook for your information and guidance.

It is hoped that it will serve as a guide as we work together for the benefit of the children. Every child in this school is a very important person to us and it is our aim that the school should be a very important and happy place for each child.

This information booklet is just an introduction to Dens Road Primary School. You may want to visit the school and judge for yourself the value of the work going on from day to day.

Yours sincerely

Mrs A McDonald  
Head Teacher

## Section 2: School Ethos

Dens Road Primary School strives to serve, and be an integral part, of the local community. As such we aim to provide a happy, welcoming environment for all members of the community irrespective of race, culture, religion and ability. The school values every individual and seeks to provide effective teaching and learning, working in partnership to maximise opportunities and equip our pupils for the future.

We aim to develop:-

### **- Successful Learners**

By adopting a flexible approach to education, by encouraging all children to achieve, and be motivated to achieve, success, by setting realistic goals for individuals, rewarding both effort and achievement

### **- Confident Individuals**

By encouraging children to develop a sense of self discipline, by providing for the wellbeing of all members of the school community, by valuing all levels and forms of achievement

### **- Responsible Citizens**

By encouraging children to respect those around them and in the wider community, by encouraging children to take responsibility for the environment and the local community, by providing opportunities for children to make decisions, by encouraging children to accept responsibility for their own actions

### **- Effective Contributors**

By providing opportunities for children to be enterprising, by providing children with opportunities to work in partnership with peers and others, by providing opportunities for pupils to contribute to the life of the school and wider community

## Section 3: School Information

For the first three weeks in the first term (August – early September), Primary 1 will be dismissed at 12.15pm.

### **Office Hours**

The school office is open from 8.45am - 3.45pm.

Please help us by making routine telephone calls within office hours. The answering machine is switched on for your convenience when the school office is unmanned. Please do leave a message and we will return your call as quickly as possible.

In spite of the necessary security measures, we do try to operate an open door policy. You are welcome to come and see me anytime. If I am not available you can make an appointment with my Admin Officer for some other time.

### **Class Organisation**

The organisation of classes may vary from year to year dependent upon certain factors such as the school roll and the number of teachers allocated to the school that session.

At any stage of the school, pupils may be in a straight class which comprises of pupils from the same stage e.g. all Primary 2 pupils or they may be part of a composite class which comprises of pupils from more than one stage, for instance a class with some Primary 2 and some Primary 3 pupils.

You should be confident that the professionalism of the staff in the school will ensure that your child will always work within a programme appropriate for his/her age, ability and aptitude.

## Section 4: School Policies & Practical Information

### School Uniform

There is an expectation for all pupils to wear the correct school uniform. This helps us in our aim of encouraging children to take a pride in their appearance and to have respect for their school.

<b>BOYS</b>	<b>GIRLS</b>
Maroon/Grey Blazer Maroon/Grey Fleece* Grey Trousers White Shirt & School Tie •Blue Polo Shirt*	Maroon/Grey Blazer Maroon/Grey Fleece* Grey Skirt/Pinafore/trousers White Shirt & School Tie
Please note that football strips are not to be worn. All items of clothing should be labelled. This assists greatly in recovering lost property.	

### School Clothing Grants

If parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, support under Part VI of the Immigration and Asylum Act 1999, Child Tax Credit or Working Tax Credit and an annual income of less than £16,010, the Authority will consider one application per year for a grant towards the cost of purchasing essential clothing to enable their children, up to the age of 16, to attend school. The school clothing grant payment will be made through BACS transfer into a nominated bank account or paid by cheque.

Application forms can be made online at:

<https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

## Section 4: School Policies & Practical Information

### School Meals

School lunches cost £2.00 per day and all children are provided with a lunch menu by Tayside Contracts.

All children staying for lunches within school will eat in the dining hall. Safety flasks containing hot food may be brought to school, but not the glass vacuum type, which may be dangerous, as they are liable to break. Glass bottles should not be brought to school.

Please inform us in writing if your child has any special dietary needs so that arrangements can be put in place to accommodate their needs.

The dining room is supervised by support staff at all times. Please note that the school does not approve of pupils going out of school to buy their lunch due to safety reasons.

### Free School Meals

Free school meals are available to all pupils in Primary 1 – 3 from January 2015. For all other stages, free school meals are available to pupils whose parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, Support under Part VI of the Immigration and Asylum Act 1999, Guaranteed Pension Credit, or in receipt of Child Tax Credit only and have an annual income of less than £16,010 or Working Tax Credit and have an annual income of less than £6420.

Application forms can be made online at <https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

### Instrumental Tuition

Tuition fees are currently free and instrument hire is £83.00 per year.

## Section 4: School Policies & Practical Information

### **Emergency School Closure Procedures**

In exceptional circumstances the school may be unable to function normally. The school may be affected by severe weather or power failures. We shall do all we can to let you know about the details of closure and re-opening through the local radio, press, text messages and letters home. You can be assured that we will never send a child home without first checking that there is an adult at home.

### **Enrolment & Placing Requests**

Parents of prospective Primary 1 pupils who reside in the school's catchment area are asked to register their child's name at the school office between December and the February of the year the child starts school. The child's full birth certificate and a proof of address, in the form of a Benefit Book, Council Tax letter or recent (within two months) utilities account must be shown.

Parents of children living out with the school's catchment area, who wish their child to attend the school, are asked to make a placing request. Forms can be obtained from Customer Services, 50 North Lindsay Street, Dundee.

Parents making a successful placing request for the school will be notified of this by Dundee City Council. A planned transition programme, with opportunities for new Primary 1 pupils and parents to learn more about and become familiar with the school, takes place in the summer term.

Parents of children other than Primary 1 beginners may make an appointment to see the Head Teacher regarding enrolment procedures, however all placing requests must be made to the Education Department. Customer Services, 50 North Lindsay Street, Dundee.

Prospective parents who wish to come to see the school are invited to telephone the school office to make an appointment to visit.

## Section 4: School Policies & Practical Information

### School Absence procedures

Please contact the school as soon as possible if your child is absent. Please send a note to school with your child on their return explaining the reason for the absence.

If your child is absent and no contact is made by you, a text message will be sent from the school. If three days pass without explanation for an absence an Education Welfare Officer will arrange to visit you and your child at home.

The following points are included in the Education Authority's Attendance Initiative

- If your child is ill and cannot attend school please contact the school before, or as soon as possible after 9.00am on the first day of absence.
- If the absence is planned, e.g. a hospital appointment, we ask you to let us know prior to the absence.
- If your child is absent for more than three days please call again or write to tell us.
- If you have not contacted the school to say your child is absent and have received a text message please contact us as soon as possible.

Regular attendance at school ensures your child is receiving the continuous education they are entitled to. Dundee City Council asks that, where possible, parents do not take children out of school for family holidays during term time. In accordance with Scottish Executive guidelines for pupil attendance, most holidays are recorded as unauthorised unless there is proof from an employer that this is the only time when holidays could be taken.

A guide for parents about school attendance explains parental responsibilities with regard to children's attendance at school – <http://www.scotland.gov.uk/Publications/2009/12/04134640/0>

## Section 4: School Policies & Practical Information

### Appointments

If your child has an appointment during the school day or needs to leave school for any other reason, please put this in writing. We would appreciate it if routine appointments could be made outwith school hours but understand that this isn't always possible.

If your child does need to leave school during the school day they must be collected by a parent/carer at the main reception. In the interest of safety we cannot allow children to leave the school unaccompanied.

### Accidents/Illness at School

In the event of a child having an accident or becoming ill at school we will attempt to contact the parents so that they can collect the child from school. However, if we cannot contact the parents, we will contact the Emergency Contact whose name and telephone number should be given to us by the parents.

**Therefore it is very important that parents inform the school of the name, address and telephone number of the Emergency Contact and advise the school immediately of any changes that occur.**

### General Safety

1. Pupils are not allowed to leave the school grounds during interval
2. Pupils staying for school lunches or packed lunches must not leave the grounds during lunch time
3. To ensure the safety of all children, children should behave responsibly both in the playground and within the school

## Section 4: School Policies & Practical Information

### **Promoting Positive Behaviour**

Certain standards of behaviour are required for the benefit of all children and we are confident that you will support the school in the maintenance of such standards. This will help to ensure your children make the most of their time and opportunities in school. School rules are designed for the safety, well-being and all-round benefit of children and all children are expected at all times to keep to these rules.

We expect children to respect one another and property belonging to others. Children are expected to behave in a way which is acceptable to teachers and others in school. Most school rules are based on common sense and fall in line with the aims of the school.

At the beginning of each session each class designs, along with their teacher, a set of 'Class Rules and Consequences', which they strive to adhere to. The class teacher is responsible for the maintenance of good behaviour in the classroom but may refer any lapses to one of the Management Team if necessary.

Parents will be involved at an early stage when particular problems arise and we would urge you to co-operate fully with us in these circumstances.

### **School Concerns and Complaints Procedures**

If you want to talk to your child's teacher or a member of the senior staff it is generally better to make an appointment. This ensures that the member of staff is available, that classes are not disturbed and that pupils' lessons are not affected.

If you have made a complaint to the school and you are not satisfied with the outcome, you can have your complaint reviewed by a senior officer in the Education Department.

Education Department publications can be found at:

<http://www.dundecity.gov.uk/department-publications/Education>

## Section 5: Parental Involvement

We see good communication with parents as vital to our children's education and during the course of each session we try to keep you informed about events in school. You will receive regular newsletters (usually every month) as well as letters of information relevant to you/your child.

You are invited to attend parent/teacher interviews – twice yearly – but we can make arrangements for you to meet with your child's teacher, the Depute Head Teacher or the Head Teacher, if you or school personnel feel that such a meeting would benefit your child, at another time during term-time Parents of new intake primary one pupils are invited to an induction meeting in the summer term.

Please keep a look out for newsletters and invitations to a variety of events which will be happening throughout the year inviting you in to the school to share in your child/children's learning experiences.

For example:

Assemblies

Learning Consultations

Open Afternoons

School Fayres

School Trips

Parents' Evenings

Soft Starts/Golden Tickets

Each year all classes share their learning through an assembly. All parents/carers are welcome to attend. Each child has an individual folio which is shared with parents throughout the year.

## Section 6: The Curriculum

### Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all pre-school to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education. Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

<b>Expressive Arts</b>	<b>Health &amp; Wellbeing</b>	<b>Languages</b>	<b>Mathematics</b>
<b>Religious &amp; Moral</b>	<b>Sciences</b>	<b>Social Studies</b>	<b>Technologies</b>

Progress in learning is indicated through curriculum levels as detailed below.

<b>Level</b>	<b>Stage</b>
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

**Expressive arts:** The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

**Health and wellbeing:** Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

## Section 6: The Curriculum

**Science:** Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

**Social Studies:** Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

**Religious and moral education:** Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

**Languages:** Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

**Mathematics:** Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

**Technologies:** The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

## Section 6: The Curriculum

### **Getting it Right for Every Child (GIRFEC)**

The GIRFEC approach is about how staff in all children's services meet their needs by working together to ensure that children reach their full potential.

[www.scotland.gov.uk/gettingitright](http://www.scotland.gov.uk/gettingitright)

### **Religious Observance**

Through the ethos and curriculum, we provide opportunities for pupils to explore morals and values. We help learners develop their own beliefs, values and a responsible attitude to others. Pupils are encouraged to develop an understanding of Christianity and other religions. Pupils develop skills of reflection, critical thinking and how to act when making moral decisions. The school welcomes diversity and individuality while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of the school that all who are involved in the life of the school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others.

Under the terms of the Education (Scotland) Act 1980 "any pupils may be withdrawn by his/her parents from instruction in religious subjects and from religious observance" Parents wishing to exercise this right should discuss with the Head Teacher.

### **Sensitive Issues**

Part of our curriculum involves teaching the children about issues which could be considered sensitive i.e. sexual health and relationships education or drugs and alcohol awareness. Parents should be assured that whenever these topics arise, we will communicate as appropriate with home. On some occasions we may send a letter just to raise awareness that specific issues are to be covered, on other occasions we will actively seek permission to include your child/ children in a series of lessons. If any parent is concerned about what is being covered within the curriculum however, they should feel free to speak to a member of staff about this.

## Section 6: The Curriculum

### Assessment

Assessment takes place continuously in every classroom within a process known as formative assessment. Teachers observe and talk to children and read their written work to build up a picture of where each child is in their learning. From this, the children are given information about and helped to see how they can improve and what they need to practise. Pupil performance is also measured using standardised assessments which allow measurement of value added by the school as well as giving diagnostic profiles of pupils' strengths and development needs.

Baseline Assessment is carried out in Primary 1 using the PIPS computerised assessment, and this is repeated at the end of P1. In P4 and in P6 pupils undertake INCAS assessments, another computerised assessment which gives standardised information about pupil progress which teachers use to plan next steps in learning.

Every pupil has an individual Work Folio started in Primary 1. This contains examples of work from a wide range of activities and is added to as a child moves through the school.

### Reporting to parents

Throughout the year, teachers report to parents in a number of ways relating to the progress of the children. This takes the form of Parents' Evenings, Primary 7 Profiles, formal reports at the end of the school year and also opportunities for further meetings with staff throughout the year if required.

Building the Curriculum 5: a framework for assessment provides guidance around the assessment framework –

## Section 6: The Curriculum

### **Transition to Primary 1**

Whether your child is transferring from nursery to Primary 1 or from Primary 7 to secondary school or indeed transferring stage through school they will be entitled to support during this process. School staff make every effort to ensure that important information about your child, their learning and progress and any additional support they require is communicated to the teacher at the next stage of learning.

The school encourages parents to discuss these changes and the senior management team will be happy to meet with you to allay any concerns you may have over the new arrangements for your child.

### **Transfer to secondary school**

When your child is due to leave the school at the end of Primary 7, he/she will be allocated a place at their catchment school. The move from primary to secondary school can be a daunting step for pupils and parents. To make this time in the pupils' school career more comfortable, we work closely with secondary schools to provide a range of transitional activities throughout Primary 7. These include Primary School visits from secondary school staff and also a 2 day visit to the secondary school where pupils follow a secondary school timetable. Around this time, secondary staff meet with the Primary 7 teachers to discuss the needs of the children.

## Section 7: Support for Pupils

Most children make satisfactory progress in school and their education can be fully supported by their class teacher. Some children may, however, need additional support to help them access learning in the classroom. Assessment and planning for their needs will be done through a Child's Plan which identifies their strengths, barriers to learning and what action or support required to meet their additional needs. A very small number of children with significant and long-term additional support needs may meet the criteria for a Co-ordinated Support Plan. These will be children who receive a lot of support from people outside education; for example, from health and social work staff.

Support for learning takes place in every class and is the responsibility of all staff in the school. All of our pupils are encouraged to work to the highest level of their ability and extra help is available for children who may require it to help them achieve their potential. The Head Teacher, teachers and other staff work closely to ensure that children and young people's individual learning needs are met.

The work of Support for Learning staff is co-ordinated by the Head Teacher, is regularly reviewed and is based upon pupil need. Support may be given within the class or within another setting, and may be within a group although it is always based upon the needs of the individual child.

The procedures and processes by which an individual child's needs are identified and addressed are set out in Dundee City Education Department's policy on Supporting Learners. Central to this is the assessment of need using a staged intervention model and the involvement of parents. We also maintain very valuable partnerships within education and with agencies beyond to support pupils who have additional needs of any kind.

To help assess the specific needs of any pupil who may require extra help the school is able to call upon the services an Educational Psychologist from Dundee Educational Psychology Service. Before such a step is taken, parents are always contacted and the reason for such a referral is fully explained and parental co-operation sought.

## Section 7: Support for Pupils

As a parent/carer you can access a wide range of information with regard to additional support needs. The information is available both at your local school and on the Dundee City Council website on this internet page <http://www.dundee.gov.uk/education/support/>

The following are available for you at the above internet page.

- Assessing Additional Support Needs
- Attending Pupil Support Planning Meetings
- Co-ordinated Support Plan
- Dispute Resolution
- Dispute Resolution Referral Form
- Mediation - Parent to Parent leaflet
- Supporting Learning (Dundee City Council Education Department, Support for Learning Policy)
- Supporting Learning in Dundee

This internet page also has many other leaflets on related topics which might be of interest to you.

If you cannot access the internet, please ask the School Office if you would like a copy of any of these documents.

The Additional Support for Learning (Scotland) Act 2004 as amended by the 2009 Act came into force on 15 November 2010. The recommendations of the Children and Young People's Act (2014), in particular the Child's Plan and the responsibility of the Named Person, also affects how we assess and plan for all children and young people.

## Section 8: School Improvement

### **Project 1: Develop Learning, Teaching and Assessment approaches**

We have further developed learning and teaching through co-operative learning from Early level onwards.

We are now assessing and moderating learning and teaching from nursery to P7.

We are tracking groups of children and individuals to monitor progress and identify trends in performances.

All staff trained in analysing standardised assessment results.

### **Project 2: Developing the Curriculum**

Programmes of work have been developed to support Learning and Teaching in Numeracy, Literacy and Health and Wellbeing

Our learning and teaching approaches include enterprise opportunities to develop the 4 capacities.

All staff have been trained and have a better understanding of Interdisciplinary Learning.

### **Project 3: Improvement in performance through effective Quality Assurance**

The whole school regularly evaluates the progress and capacity for improvement alongside national guidelines.

There is an effective and rigorous calendar in place to ensure robust Quality Assurance for all.

The Parent Council and Pupil Council are now involved in the improvement process and take forward projects to Learning and Teaching.

All staff have Critical Partners to support them with professional reflection and review.

Children's progress is monitored and discussed regularly both in formative and summative ways. Following analysis targets and next steps are set for continuous improvement.

## Section 9: Extra Curricular Activities

Through the voluntary co-operation of staff, we have a number of after school activities for the older children. These include the following:

### **Netball, Rugby, Basketball, Mini Football**

Our school teams participate in local league and cup competitions during the school session. Gussie Park Superturf is used on a Friday afternoon for outdoor activities including mini rugby and football throughout the year.

### **Swimming**

During the school session Primary 6 children are taken to the Leisure Centre and given swimming instruction. At the completion of the course they are given the opportunity to take various SASA/SSSA badges, dependent on their degree of skill.
